

Clause 21

School Culture must enrich and promote individual achievement.

The education experience is not about what we learn, but how we learn. Students should become well-rounded, self-reliant, productive Citizens.

School Culture will mirror the Judeo-Christian beliefs, values, and principles our nation was founded on, that made America the greatest Civilization in the world.

Inappropriate, and objectionable, cultural practices will be prohibited.

Clause 22

School safety regulations will be mandatory for all schools.

There will be no “gun-free zones” that encourage active shooters. Guards and school staff will be trained and armed to respond to violence.

Local police departments will provide specially trained “quick response” units.

Schools will be equipped with early detection systems, and prevention training.
